

Report Period: Aug 17-30 – Group = sdmay21-39

Gavin, Zane, Adis, Jet, Rishabh

Summary of Progress in this Period

Had two client meetings and discussed requirements and documents provided initially.

Discussed milestones, and the “project plan” for the project coming forward into this semester.

Pending Issues

Nothing so far.

Plans for Upcoming Reporting Period

First deliverable will be next meeting on Wednesday. This will overall cover plan of attack and milestone outlines in some way or form. Drawing up a basic diagram that helps explain the architecture.
